bracketed.

SENATOR CAVANAUGH: Okay.

PRESIDENT: Is there a request for unanimous consent to bracket, Senator Anderson?

SENATOR ANDERSON: Does Senator DeCamp want to take up his motion now, or do you want to hold it until we take up the whole...?

SENATOR DeCAMP: No. No, as I said, mine are merely technical corrections and whatever they want to do with the bill itself is fine with me.

SENATOR ANDERSON: Okay, I will ask unanimous consent to bracket both LB 413 and LB 412 for the printing of amendments.

PRESIDENT: To a date certain? Or just to bracket.

SENATOR ANDERSON: Okay, make it Thursday, the 29th.

PRESIDENT: Is there an objection? Seeing none, it is so ordered. LB 432.
